

Georgetown Homeowners' Association
95 Charleston Drive
Macomb, IL 61455

Dear Resident/Owner:

We are writing to inform you that our Office Manager, Becky Brillhart, has submitted her resignation, effective September 18, 2025. We thank Becky for her years of service and dedication to the Georgetown Homeowners' Association and wish her the best.

The Board of Directors is currently working on a transition plan to ensure that essential functions and communications continue without disruption. In the interim, the Board will oversee office responsibilities directly and will provide updates as we finalize long-term arrangements.

If you have questions during this transition, please continue to email gtown@macomb.com as that email will be regularly monitored by the Board. We will reply promptly, but please be patient as there may be some delay in response times.

We welcome residents and owners to our monthly meetings to ask any questions or lodge any concerns. We meet on the fourth Thursday of each month at 6:00 p.m. Our next meetings are August 28 and September 25, followed by the annual meeting on October 7, 2025.

To honor Becky's service, a farewell reception will be held on Friday, September 26th, 2025, from 4:00pm to 6:00pm. We invite all residents and owners to join us in expressing our appreciation and best wishes.

We appreciate your understanding and cooperation as we move through this change and continue our commitment to serving the best interests of our community.

Sincerely,

Board of Directors
